**TOURING PARTY**

3 x cast

**SYNOPSIS**

Here come Gilbert and Sullivan with attitude, affection and a twist of twenty first century topsy-turvy! Welcome to the wicked world of the New D'Oyly Carte Opera Company.

A young married couple - sexy operatic stars - find their off-stage romantic lives strangely echoing the on-stage antics of the characters they play in the Savoy classics like The Mikado, The Pirates of Penzance, HMS Pinafore, The Gondoliers and all the other G & S hits where handsome boy meets beautiful girl and - eventually - they live happily ever after. But what happens in between as the pair's sparkling eyes wander? All your favourite Gilbert and Sullivan melodies take on a whole new meaning when Amanda and Michael's fantasy takes flight. Though as they flirt with new partners, things are seldom what they seem.

Everything is a source of fun.

Married life is a risky joke that's just begun.

But derry down derry it's evident very their tastes are one, and they both live happily - even - after.

Full of joyous shout and ringing cheer,

***POOR WAND'RING ONES***

is guaranteed to leave you with feelings of pleasure.

**FLEXIBILITY**

One Night Stands if required

Maximum 6 evenings plus matinees

**BUMP IN**

1 hour
